This professional learning opportunity introduces teachers to best practices in online /blended instruction and practical strategies that can be applied in their own classes. The Webinar is directed toward secondary/high school teachers across all subject areas.

INVITING ALL 21ST CENTURY SECONDARY SCHOOL TEACHERS

The webinar

Webinar participants will attend a one-hour webinar hosted by an experienced online learning practitioner. There will be a brief Q&A in which select questions from the audience will be addressed by the facilitator. This webinar is intended for classroom-based educators leading secondary school-level online or blended education classes. Participants will receive a brief reading on best practices in teacher presence and building classroom community prior to the webinar. The webinar will end with questions the participants can use to reflect on the content and how the teacher plans to implement the suggested strategies.
